

## Interested in having your say on the future of WSCC Digital products?

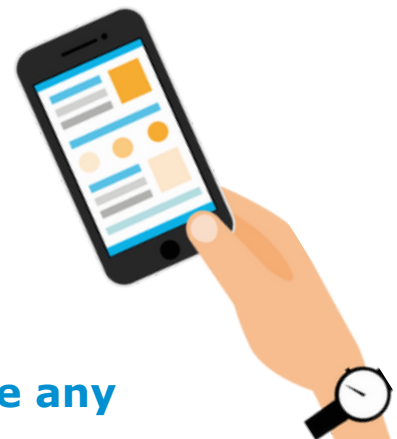

**We need your help! Apply to be part of a new panel that will  
test WSCC digital products.**

The Digital Inclusion, Access and Safety Partnership has recently launched a range of projects, designed to make the Digital World more accessible for the residents of West Sussex.

Part of realising this vision is testing WSCC digital products, to ensure that they work well for the everyone.

**If you are interested in joining the panel, or have any questions, get in touch!**

Contact the Community Safety Team via email at [communitysafety.wellbeing@westsussex.gov.uk](mailto:communitysafety.wellbeing@westsussex.gov.uk) or ring 01243 777100.

Scan to visit the Digital Inclusion, Access and Safety Partnership page and learn more about our vision.
