Dear Alison

**Re: Sidlesham Parish Council**  
**Internal Audit for Financial Year Ended 31 March 2025 – Final Audit report**

**Executive summary**

Following completion of our final internal audit on 1 May 2025 we enclose our report for your kind attention and presentation to the council. The audit was conducted in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date.

Our report is presented in the same order as the assertions on the internal auditor report within the published Annual Governance and Accountability Return (AGAR). The start of each section details the nature of the assertion to be verified. Testing requirements follow those detailed in the audit plan previously sent to the council, a copy of which is available on request. The report concludes with an opinion as to whether each assertion has been met or not at this point in the year. **Recommendations for action are shown in bold text and are summarised in the table at the end of the report.**

Some assertions, as noted in this report, were tested at the interim internal audit completed during the financial year and the council should review all internal audit reports for the year before completing the Annual Governance Statement.

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor at this time, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at Sidlesham Parish Council are well established and followed.

## **Regulation**

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit’s function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all Members to support and inform them when they considering the authority’s approval of the annual governance statement.

## **Independence and competence**

Your audit was conducted by Andy Beams of Mulberry Local Authority Services Ltd, who has over 35 years’ experience in the financial sector with the last 15 years specialising in local government.

Your auditor is independent from the management of the financial controls and procedures of the council and has no conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

## **Engagement Letter and inherent risk assessment**

An engagement letter was previously issued to the council covering the 2024/25 internal audit assignment, which includes the scope and plan of works and fee structure. Copies of this document are available on request from [anna@mulberrylas.co.uk](mailto:anna@mulberrylas.co.uk)

In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR.

It is our opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be “walk through testing” on sample data to encompass the period of the council year under review.

<b>N: PUBLICATION REQUIREMENTS</b>	At the interim audit, my review shows that the council had not published Section 3 – External Auditor Report and Certificate as required by the Accounts and Audit Regulations 2015 and therefore the council has NOT met the requirements of this internal control objective.	The council is aware of this retrospective error, and this is reflected in the Annual Internal Audit Report.

## **A. BOOKS OF ACCOUNT**

### **Internal audit requirement**

*Appropriate accounting records have been properly kept throughout the financial year.*

### **Audit findings**

Testing conducted at the interim internal audit.

## **B. FINANCE REGULATIONS, GOVERNANCE AND PAYMENTS**

### **Internal audit requirement**

*This authority complied with its Finance Regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.*

### **Audit findings**

At the interim internal audit, I noted that the council had not established common email addresses for all councillors, and I recommended that the council followed the JPAG Practitioner's Guide regarding email addresses for councillors.

**I draw the council's attention to the updated SAPP Practitioner's Guide for the 2025/26 financial year, published in March 2025.**

**A new Governance Assertion on the AGAR for 2025/26 relating to Digital and Data Compliance includes the following requirement:**

**1.47 Email management - Every authority must have a generic email account hosted on an authority owned domain, for example *clerk@abcparishcouncil.gov.uk* or *clerk@abcparishcouncil.org.uk* rather than *abcparishclerk@gmail.com* or *abcparishclerk@outlook.com* for example.**

At the interim audit, I reminded the council that it is required to post any non-confidential supporting documentation with the agendas as outlined by the Information Commissioner's Office, and a review of progress against this recommendation will be completed at the next interim audit visit.

At the interim audit, I noted that older minutes are still listed as being draft, although they have since been approved, and I recommended the website is updated to reflect this and a review of progress against this recommendation will be completed at the next interim audit visit.

## C. RISK MANAGEMENT AND INSURANCE

### **Internal audit requirement**

*This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.*

### **Audit findings**

Testing conducted at the interim internal audit.

We discussed assertion 8 on the Annual Governance Statement and whether this had any impact on the council.

*“We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements.”*

The Clerk confirmed that they were not aware of any event having a financial impact that was not included in the accounting statements.

## D. BUDGET, PRECEPT AND RESERVES

### **Internal audit requirement**

*The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.*

### **Audit findings**

Testing conducted at the interim internal audit.

There is evidence within the minutes of meetings that councillors regularly receive budget reports for review, providing them with sufficient financial information to make informed decisions.

At the end of the financial year, the council held circa £ 30,700 in earmarked reserves, spread across a range of clearly identifiable projects. I checked the purpose of these earmarked reserves with the Clerk and am satisfied they are all for legitimate future planned projects of the council.

The Joint Panel on Accountability and Governance (JPAG) Practitioner’s guide provides updated guidance on the appropriate level of general reserves that councils should retain as below:

*5.33. The general reserve of an authority comprises its cash flow and contingency funds to cover unexpected inflation, unforeseen events and unusual circumstances.*

*5.34. The generally accepted recommendation with regard to the appropriate minimum level of a smaller authority’s general reserve is that this should be maintained at between three and twelve months of net revenue expenditure.*

*5.35. The reason for the wide range is to cater for the large variation in activity level between individual authorities. The smaller the authority, the closer the figure may be to 12 months expenditure, the larger the authority, the nearer to 3 months. In practice, any authority with income and expenditure in excess of £200,000 should plan towards 3 months equivalent general reserve.*

5.36. *In all of this it is important that each authority adopt, as a general reserve policy, the level appropriate to their size, situation, risks and plan their budget so as to ensure that the adopted level is maintained. Consideration of the minimum level of reserves requires not only consideration of level of income and expenditure but also the risks to that income.*

5.37. *Authorities with significant self-generated income (other than the precept or levy) should take into account situations that may lead to a loss in revenue as well as increased costs and adapt their general reserve accordingly.*

The general reserve balance at the end of the financial year is £28,369, which is within the recommended range.

## **E. INCOME**

### **Internal audit requirement**

*Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.*

### **Audit findings**

Testing conducted at the interim internal audit.

## **F. PETTY CASH**

### **Internal audit requirement**

*Petty cash payments were properly supported by receipts, all petty cash expenditure was approved, and VAT appropriately accounted for.*

### **Audit findings**

The council has no petty cash and the testing for this internal control objective does not apply.

## **G. PAYROLL**

### **Internal audit requirement**

*Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.*

### **Audit findings**

Testing conducted at the interim internal audit.

I reviewed the total figure being included within box 4 (staff costs) on the Annual Governance and Accountability Return (AGAR) and was able to confirm from the accounting software that this includes only salary payments, HMRC payments and pension contributions.

## H. ASSETS AND INVESTMENTS

### **Internal audit requirement**

*Asset and investments registers were complete and accurate and properly maintained.*

### **Audit findings**

Testing conducted at the interim internal audit.

I confirmed the asset register total matches that included in box 9 (total fixed assets plus long term investments and assets) on the AGAR and was able to trace the changes to the previous year's total against the asset register.

The council has no borrowing nor long-term investments.

## I. BANK AND CASH

### **Internal audit requirement**

*Periodic and year-end bank account reconciliations were properly carried out.*

### **Audit findings**

At the interim internal audit, I noted that the reconciliation and accompanying bank statements had not been signed in accordance with the requirements of FR 2.2 and reminded the council that to achieve a positive sign-off for this internal control I would need to see evidence of this activity taking place.

At the final audit, the Clerk provided evidence that these are now being signed in accordance with the Financial Regulations.

I reviewed the March 2025 bank reconciliation for all accounts and was able to confirm the balances to the bank statements and found no errors.

## J. YEAR END ACCOUNTS

### **Internal audit requirement**

*Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.*

### **Audit findings**

The council, at its meeting to sign off the year-end accounts, must discuss Section 1 of the AGAR (Annual Governance Statement) and record this activity in the minutes of the meeting.

**COUNCIL IS REMINDED THAT THIS MUST BE A SEPARATE AGENDA ITEM PRIOR TO THE SIGNING OF SECTION 2 OF THE AGAR (ACCOUNTING STATEMENT).**

**Audit findings**

The year-end accounts have been correctly prepared on a receipts and payments basis with no requirement to complete the box 7 and 8 reconciliation.

The AGAR correctly casts and cross casts and last year's comparatives match the figures submitted for 2023/24 and published on the council website.

The Clerk has begun the variance analysis, and I have provided her with an example to help further quantify the variances.

**K. LIMITED ASSURANCE REVIEW****Internal audit requirement**

*IF the authority certified itself as exempt from a limited assurance review in 2023/24, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2023/24 AGAR tick "not covered")*

**Audit findings**

The council did not certify itself exempt in 2023/24 due to exceeding the income and expenditure limits and this test does not apply.

**L: PUBLICATION OF INFORMATION****Internal audit requirement**

*The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation*

**Audit findings**

For councils with a turnover over £25,000, it is recommended best practice to follow the Local Government Transparency Code 2015, but not a statutory requirement and therefore not subject to verification during the internal audit.

All councils are required to follow The Accounts and Audit Regulations which include the following requirements:

**13(1)** An authority must publish (which must include publication on that authority's website)

- (a) the Statement of Accounts together with any certificate or opinion entered by the local auditor in accordance with section 20(2) of the Act; and
- (b) the Annual Governance Statement approved in accordance with regulation 6(3)

**13(2)** Where documents are published under paragraph (1), the authority must

- (a) keep copies of those documents for purchase by any person on payment of a reasonable sum; and
- (b) ensure that those documents remain available for public access for a period of not less than five years beginning with the date on which those documents were first published in accordance with that paragraph.

I was able to confirm that pages 4 (Annual Governance Statement), 5 (Accounting Statements) and 6 (External Auditor's Report and Certificate) of the AGARs are available for review on the council website for financial years 2019/20 to 2023/24 inclusive.

**M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS****Internal audit requirement**

*The authority has demonstrated that during summer 2024 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.*

**Audit findings**

Inspection – key dates	2023/24 Actual	2024/25 Proposed
Date AGAR signed by council	8 May 2024	14 May 2025
Date inspection notice issued	2 June 2024	2 June 2025
Inspection period begins	9 June 2024	3 June 2025
Inspection period ends	12 July 2024	14 July 2025
Correct length (30 working days)	<b>No</b>	Yes
Common period included (first 10 working days of July)	Yes	Yes

As noted by the External Auditor ‘Section 14(1) of the Audit and Accounts Regulations 2015 requires the period of public rights should be a single period of 30 working days. The Council provided a period of 25 working days in 2024 for the review of their records which is a breach of the regulation, and we would anticipate the Council taking this into account when it completes Assertion 4 on its 2025 Annual Governance and Accountability Return.’

**The requirements of this control objective were NOT met for 2023/24, and assertion 4 on the Annual Governance Statement for 2024/25 must therefore be signed as ‘No’ by the council.**

I was able to confirm that the proposed dates for 2023/24 meet the statutory requirements.

**N: PUBLICATION REQUIREMENTS****Internal audit requirement**

*The authority has complied with the publication requirements for 2023/24. Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage.*

*Before 1 July 2024 authorities must publish:*

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited
- Section 1 - Annual Governance Statement 2023/24, approved and signed, page 4
- Section 2 - Accounting Statements 2023/24, approved and signed, page 5

*Not later than 30 September 2024 authorities must publish:*

- Notice of conclusion of audit
- Section 3 - External Auditor Report and Certificate
- Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.

*It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.*

### **Audit findings**

**At the interim audit, my review shows that the council had not published Section 3 – External Auditor Report and Certificate as required by the Accounts and Audit Regulations 2015 and therefore the council has NOT met the requirements of this internal control objective.**

## **O. TRUSTEESHIP**

### ***Internal audit requirement***

*Trust funds (including charitable) – The council met its responsibilities as a trustee.*

### **Audit findings**

The council has no trusts and testing under this internal control objective is not applicable.
