

Witterings Community Forum

Overview of Witterings Community Forum and Care Shop

Inspired by the proven success of the Selsey Community Forum, we are delighted to bring the same trusted model of community support to the Witterings and surrounding villages. Working in partnership with local voluntary organisations, health and social care services, businesses and community groups, the new Witterings Community Forum will help develop and coordinate services that make a real difference to the lives of local people. The new Witterings Care Shop opened on 1 September in Shore Road, East Wittering, with an opening ceremony on 11 September.

Whether someone needs help completing forms, accessing benefits, finding local clubs, or simply a friendly face and a listening ear, we're here to help. We also greatly value volunteers and donations, and are building local partnerships, so if you feel you can help in any of these areas, do please get in touch – we'd love to have you on board.
